

Before the Board of Zoning Adjustment, D.C.

PUBLIC HEARING - October 15, 1969

Appeal No. 10207 Cosmos Club, appellant.

THE ZONING ADMINISTRATOR OF THE DISTRICT OF COLUMBIA, appellee.

On motion duly made, seconded and unanimously carried, the following Order of the Board was entered at the meeting of October 21, 1969.

EFFECTIVE DATE OF ORDER - Nov. 3, 1969

ORDERED:

That the appeal for permission to continue parking lot for a period of 5 years at 2156-62-68 Florida Avenue, NW., lots 21 and 832, Square 66, be conditionally granted.

FINDINGS OF FACT:

1. The subject property is located in an R-5-B District.
2. The property has previously been used as a parking lot operating under Certificates of Occupancy No. B-46717, B-46715 and B-46717.
3. Appellant proposes to continue use of the property as a parking lot for an indefinite period, alleging that all conditions previously ordered by the Board have been met.
4. The Department of Highways and Traffic offers no objection to the granting of this appeal.
5. Objection to the granting of this appeal for an indefinite period of time was registered at the public hearing.

OPINION:

We are of the opinion that the continuation of this parking facility will not create any dangerous or otherwise objectionable traffic conditions, that the present character and future development of the neighborhood will not be adversely affected, and that the lot is reasonably necessary and convenient to other uses in the vicinity. However, the Certificate of Occupancy shall not issue until the conditions hereinafter set forth in this Order are complied with.

This Order shall be subject to the following conditions:

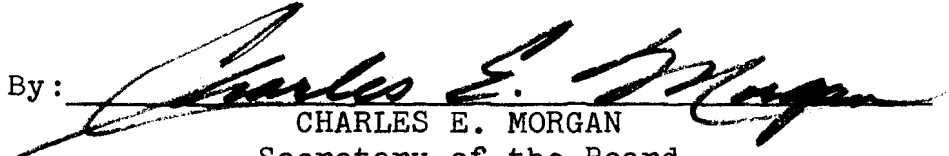

- [a] Permit shall issue for a period of five (5) years, but shall be subject to renewal in the discretion of the Board upon the filing of a new appeal in the manner prescribed by the Zoning Regulations.
- [b] All areas devoted to driveways, access lanes, and parking areas shall be maintained with a paving of material forming an all-weather impervious surface.
- [c] An eight (8) inch coping shall be erected and maintained along each side of all driveways to protect the public space.
- [d] Bumper stops shall be erected and maintained for the protection of all adjoining buildings.
- [e] No vehicle or any part thereof shall be permitted to project over any lot or building line or on or over the public space.
- [f] All parts of the lot shall be kept free of refuse or debris and shall be paved or landscaped. Landscaping shall be maintained in a healthy growing condition and in a neat and orderly appearance.
- [g] No other use shall be conducted from or upon the premises and no structure other than an attendant's shelter shall be erected or used upon the premises unless such use or structures are otherwise permitted in the zoning district in which the parking lot is located.
- [h] Any lighting used to illuminate the parking lot or its accessory building shall be so arranged that all direct rays of such lighting are confined to the surface of the parking lot.
